# Friends,

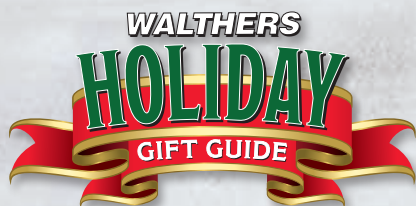

I think it's safe to say that we leave 2020 different – changed and challenged in more ways than we could have expected at the beginning of this year (or any year in memory, for that matter!). We certainly reflect on all the support we've received from you during this very unusual year, and say 'thanks' for staying active in the hobby and for keeping us active and productive, while you were doing your best to stay positively productive yourself! We have been honored to serve you during these challenging times, and look forward to 2021 with great hope that we'll continue on this journey together and that there are brighter days ahead.

While 2020 made some things hard to see or understand, I think that it's given us "20/20" vision into what is truly important in our lives. A hallmark of crisis can be clear vision – and while we have always believed it, it bears repeating that you, our customer, are at the center of what's important to us here at Walthers. As I said earlier in the global pandemic, 'crisis breeds creativity', and that has been alive and well in our hobby in this past year. That is crystal clear. Thanks to your posts on our Facebook and Instagram pages, it's been a true delight to see what you've created with the products we create and supply! We are proud to provide some comfort and joy and wish you good health, good fortune, and a very happy holiday season with those you care about near and far.

Don't forget to check out our Holiday Gift Guide starting on page 4 and Wish List on page 14, so you can get something special for yourself or someone you care about.

Merry Christmas, Happy Holidays from our team and family to you and yours.

*Shirley*

The sun is barely over the horizon when we hear the radio click on in the living room. Fingers crossed, holding our breath, we wait for the magic words, "... and here are the latest school closings...."

Now on a normal school day you couldn't dynamite us out of bed at this hour, but we race downstairs eager to see it for ourselves. Mom reminds us no one is going outside before breakfast. Dad shakes his head and tells us - again - how he had to walk uphill both ways just to get to school, and if he can't get the car started, he might be walking to work at the yard office today! After wolfing down breakfast, we beeline upstairs where pajamas and slippers are quickly swapped for winter coats and boots to join our friends outside. Winter brings plenty of challenges in the real world, but modeling it is easy! With figures in appropriate clothes, bare trees, scale snow and other accessories from Walthers, any scene can become a winter wonderland!

#### A Note on Availability

At Walther's, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check [walthers.com](http://walthers.com), email us at [custserv@walthers.com](mailto:custserv@walthers.com) or call our Customer Service Team at 1-800-4-TRAINS.

Please know that we appreciate your support of both Walther's and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.
