# FALL IS IN THE AIR

The streetlights come on a little earlier each night. Squirrels are busier than usual. Piles of colorful leaves grow a little taller. Telltale wisps of smoke drift upward in the still morning air signaling furnaces have come back to life. Folks tending to yardwork and putting up Autumn decorations pause to catch some of their favorite football teams on the radio. Fall is a magical time of year as folks prepare for winter, and once your outdoor chores are done for the day, it's time to get your model railroad ready too! With a full range of tools, supplies and ideas, creating realistic scenes like this is easy with Walthers!

#### A Note on Availability

At Walthers, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check [waltthers.com](http://waltthers.com), email us at [custserv@waltthers.com](mailto:custserv@waltthers.com) or call our Customer Service Team at 1-800-4-TRAINS.

Please know that we appreciate your support of both Walthers and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.

**NEW HO GE Evolution Series GEVO - Standard DC**

WalthersMainline®. Bring the power of today's railroading to your HO layout with the WalthersMainline General Electric Evolution series diesels! Each of these layout-ready, limited-run models features correct profile radiator grilles and roof-top walkway surface, six powered axles, LED lighting, prototypical truck sideframes, and the same powerful drive as WalthersProto® models. Units easily handle 18" radius curves (22" or larger recommended).

**NEW HO EMD GP9 Phase II w/High Hood - ESU® Sound & DCC**

WalthersMainline. A must-have for your first-generation diesel roster, layout-ready models are based on as-built Phase II units with high, short hoods from 1955 to 1957, with many still going strong today! Factory-equipped with ESU Sound & DCC for DCC or DC layouts, the models feature a scale-width hood, and come with or without dynamic brakes as appropriate. Under the hood there's a rugged and powerful WalthersProto drive, a heavy die-cast metal frame and more for years of dependable service.
