IT'S BIGGER & BETTER!

The Walther's National Model Railroad Build-Off is a competition to create a unique scene or diorama individualized by the theme and additional elements chosen by the entrant. Whereas the Youth and Adult HO classes compete head-to-head with others in a similar age demographic, scale and product parameters, participating in the OPEN class has no age or number of participant restrictions, and the various scales compete against each other. Three winners from each category will be selected to receive a prize. In addition, all finalists are eligible to compete in the People's Choice Award with one winner determined by the overall number of votes that entry receives via social media.

A Note on Availability

At Walther's, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check walther's.com, email us at custserv@walther's.com or call our Customer Service Team at 1-800-4-TRAINS.

Please know that we appreciate your support of both Walther's and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.
